

KELLY-SPRINGFIELD GUARANTEE

We guarantee all tires bearing our name and serial number to be free from imperfections in material or workmanship. Tires returned for consideration under this guarantee will be accepted only when all transportation charges are prepaid. If, upon examination, it is our judgment that tires are defective, they will be repaired or replaced at our option.

When tires are replaced by us, charges will be made to owners at the time new tires are delivered for such amounts as, in our judgment, will compensate for the service rendered by such replaced tires.

Tires worn out in usual or unusual service, abused, knowingly or unknowingly, misused, used on rims not bearing the proper rim inspection stamps, or injured through accident or design, are not covered by this guarantee.

This guarantee is expressly waived by any purchaser of our pneumatic tires who uses therein any substitute for air, or who uses them under weights in excess of those for which the various tires are recommended, or who does not keep tires inflated to the pressure recommended by us.

Kelly-Springfield Motor Truck Tires are covered by the same guarantee when used in accordance with our regular schedule of carrying capacities and under normal road conditions and when not injured by the use of non-skid devices.
